## **Renehan Building Group Receives 2017 Best of Malvern Award**

Malvern Award Program Honors the Achievement

MALVERN July 5, 2017 -- Renehan Building Group has been selected for the 2017 Best of Malvern Award in the Custom Homes category by the Malvern Award Program.

Each year, the Malvern Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Malvern area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2017 Malvern Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Malvern Award Program and data provided by third parties.
